An Appeal

Vivekananda Shishu Mandira is built in a serene atmosphere. It is centrally situated but free from congestion & din. Built at a vantage point near the renowned Blood Bank of Puttur, it is very accessible. Sufficient greenery is maintained in the playing bay. The exterior is eco friendly. Infant Education is imparted to kids between the age group of 3 and 5. Hindu festivals like 'Shreekrishna Leelotsava' 'Rakshabandhana' 'Vidyarambha' are organized here with religious fervor and gaiety. Motherly affection, warmth, hospitality, sympathy and empathy are bestowed upon the incumbents by the Mathajis. The light of Hindu culture & heritage is ignited through narration of anecdotes from the Ramayana, the Mahabharatha, The Dashavathara, the Bhagavadgeetha, the Subhashitha & so on. Primary knowledge of the Hindu calendar 'Panchanga' is also given.

However, searcity of funds is a hurdle in making our dreams a reality. We are ambitions to furnish the Shishumandira with state of the art facilities. Modern Childgame equipments, (Sophisticated toys, swings, sways, drollery, slipramps) and other tools of recreation. School vans are badly needed to ply between Shishumandira and homes of kids. The existing old building has to be renovated and given a modern look. A Blueprint of the proposed plan is drawn. The estimated cost is Rs. 20 lakh. Kindly donate to implement our proposed at the earliest. Your patronage would further strengthen us in this noble endeavour of nation building.
