The Brief Reports 2013-14

There is nothing in this world equal to knowledge. Education is stimulating the thirst of knowledge to embedded in a person.

Sri Devi Higher Primary School opened on 30-05-2005 with ambition of giving good valuable education to the local generation. This institution governed under vidhya vardhaka sangha. The growth and survival of human beings in society depends on the growth of knowledge they possess so from the 1st std education with given by the management and the staff.

The management committee and the staff dedicated this knowledge for the children's future. The school is surrounded by the greenery calm nature. This beautiful nature is very helpful for the studies.

The school started with only 23 students and now 188 students are studying here. School management committee president Mr. Sathishchandra.S.R and correspondent Jayashyam Neerkaje and all the members hard work resulted in the best improvement of this school and in 2008-09 the new school building was established. Then the classes started 1 std to 7th std.

The school every day start from Saraswathi vandana, Omkara, meditation, shlokhas, Nityapanchanga, proverbs, Riddles, Tables. Then the students are prepared for the class room study. School bus also arranged for the travelling facility. Computer education, yoga, karate, dance classes, yakshagana, trainings also given for the overall development of the student parents meeting is held twice in a year and there we discuss the child's progress in the education. Here we can try to understand the responsibility of the parents for their child.

Sports and games activities which are conducted for the physical and mental development. Our school kho-kho team selected for the state level vidya bhārathi sports in Keshora vibhaga. The also student participated in Prathibha Karanji competition and got so many prizes.

To bring the ouener and unity we are celebrating national festivals like children day Independenc day, Republic day, teachers day, Ambedkar jayanthi, Gandhi jayanthi.

Indian culture is rich. So introducing this culture we are celebrating Yugadi, makara sankranthi, Guru pooja, Raksha bandhan shivaji jayanthi, sharada pooja ect.

P R E F A C E

India is considered as “Guru” to all the nations of the world. “Vasudaiva Kutumbakam” is the principle mantra of Indian culture. A man sacrifice his life to the good of his nation and the people of his nation is the base of Indian education. Educational institutions are the work shops where a man gets good education and refines his life since his childhood. So the people of this village were dreaming to give such kind of education to their children.

Sri Devi Higher Primary School opened on 30-05-2005 with ambition of giving good valuable education to the local generation. This institution governed under vidhya vardhaka sangha. The growth and survival of human beings in society depends on the growth of knowledge they possess so from the 1st std education with given by the management and the staff. The school was started with the determination of providing education on Indian culture. Education is not complete only by providing reading and writing. It will be completed by giving education to lead a successful healthy life style of India. The students get the extra curricular activities such as yoga, singing, sanskrit, yakshagana, physical education etc in our school. The school celebrates all the national festivals and gives motivation to become a good citizens and do good to our nation.

Most of the students of our school are the children of farmers, labourers, scheduled caste and tribes. The school helps in providing good education contributing and increasing their love towards their nation, strengthening their physical, emotional and cognitive abilities.

The skills in the students have been recognised and guided towards the path of success. The routine of our school starts with Saraswathi vandana, Meditation etc. We give importance to the time management, cleanliness and singing patriotic songs

. We have been succeeding in scoring good results with all level of children from low and high abilities. Extra attention will be given to the students who are facing difficulty with curriculum in positive out growth of the result. In order to provide further more improved educational requirements with present scenario in this rural area, we request your unconditional support.
